Welcome to the 125th annual meeting of the New Mexico Medical Society House of Delegates. I'm very excited about this year's annual meeting on May 6-7, 2011 at the Society's new and very own headquarters located at 316 Osuna Road NE in Albuquerque. We are planning several activities in conjunction with both our 125th anniversary and new building and hope you will join me in celebrating this banner year!

Friday's meeting (May 6) will start at 7:30 a.m. with an optional orientation about parliamentary procedure and the organizational structure of the New Mexico Medical Society. Though the orientation will help new members learn how to actively participate in our policy-making and initiatives, all members are welcome and encouraged to attend. A special ribbon-cutting ceremony will follow the orientation to kick off the grand opening of our new building and headquarters. The official call to order for the House of Delegates will be at 8:30 a.m. Upon adjournment of the House, reference committees will meet to discuss the activities of the past year and debate resolutions being introduced this year.

Between meetings, please take a moment to visit a specially prepared exhibit on the history of the Medical Society and medicine in the state and to look over the commemorative plaques of those members who contributed funds in support of the Medical Society's new building.

The continuing medical education activity fills the afternoon schedule. This year's CME topic will highlight Accountable Care Organizations [ACOs] — the who, what, where, why and hows. Participants will hear a multi-perspective overview of ACOs — what they promise, where they will develop in New Mexico, how they will impact physician practices, how to advocate for physician protections in the ACO governance structure, and how to integrate ACOs into current care models.

An enjoyable evening awaits you and your family at the presidential reception and buffet dinner at the Albuquerque Zoo from 5:30 - 8:00 p.m. There is no charge for the event but you are asked to please RSVP your attendance and the number of guests you will bring so that we may properly plan the buffet.

Saturday's (May 7) second House of Delegates brings everyone back together at 9:00 a.m. for officer elections, voting on reports and motions, and the inaugural address for the Society's incoming president Karen Vaillant MD.

Please don't miss this opportunity to be a vital part of charting the course of the Medical Society, to visit with your peers from around the state, and to celebrate the Society's 125th annual meeting and the opening of our new headquarters.

I look forward to seeing you at the 2011 annual meeting!

Lynn Bryant MD
NMMS President 2010-2011
All meetings will be held at the New Mexico Medical Society headquarters at 316 Osuna Road NE, Bldg 5, Albuquerque, New Mexico, unless otherwise indicated.

The Community Service Award is given to a NMMS member nominated by a fellow colleague for his/her community service over and beyond their professional service. The winner is selected by the Community Service Award Committee which is comprised of four NMMS past-presidents who created and funded the award in honor of their fathers who also served as presidents of the Medical Society.

It is with great pleasure that this year's Community Service Award is presented to William Boehm MD, FACEP of Alamogordo, New Mexico.

Dr. Boehm has a long-standing record of active support and tireless participation in the Medical Society, its vision, mission and collegiality. He served as president from 1985-1986 and has since remained on the Council representing Otero County. Additionally, he has served as AMA delegate and on many, if not all, NMMS standing and ad hoc committees. He has also served on the New Mexico Medical Board, EMS Authority, Monitored Treatment Program, the advisory boards of American Physicians Assurance Corporation and The Doctors Company, and is a lifetime member of the American Legion having served three terms as Post Service Officer.

Dr. Boehm's involvement and service with his local community is a long and outstanding record as testified by many of his colleagues. After a private practice as a general surgeon, he went into emergency medicine where he was known as the "backbone" of the TransMountain Emergency Services from the early 1990s to 2002. Dr. Boehm is also credited with the establishment of the American Medical Response, a national ambulance service, in Alamogordo and served with them from 1993-2008.

Dr. Boehm is currently the volunteer medical director for 16 volunteer fire/EMS service departments in Otero County. He supervises about 200 EMTs and paramedics and provides automated defibrillators for Alamogordo Police and Sheriff departments and all volunteer fire departments. He has been with the Dungan Volunteer Fire Department since 1997, served as their Captain from 1998-2010 and was elected Assistant Chief in 2010.

Last, but not least, he has entered his secret concoctions in Firehouse Cook-Offs and has walked humbly away with one local and two national prizes.

The Medical Society commends Dr. Boehm for his invaluable commitment to his profession, colleagues, and community.
H. David Arredondo, MD has served as the Executive Medical Director of the Presbyterian Medical Group since April 2010. He served as Medical Director of the Surgery Service Line for Presbyterian the previous year. For the preceding 24 years he practiced independently in Albuquerque, NM, in general and vascular surgery. He completed his surgical internship and residency at the Hospital of St. Raphael's in New Haven, CT from 1981-1986. Dr. Arredondo has just completed a term as President of the Medical Staff at Presbyterian Hospital.

Charles L. Baumgart, MD is Vice President and Chief Medical Officer of Presbyterian Health Plan, part of Presbyterian Healthcare Services, a non-profit integrated delivery system. He is board certified in internal medicine, geriatrics, and utilization and quality management. He has received the CMCE (Certified Managed Care Executive) designation from AHIP (America's Health Insurance Plans). He has also completed the Advanced Training Program in Health Care Delivery Improvement at Intermountain Health Care, Salt Lake City, Utah. Dr. Baumgart has served as a Quality New Mexico examiner since 2002 and is a national Malcolm Baldridge Quality Award examiner.

Denis A. Cortese, MD is Foundation Professor and Director, Health Care Delivery and Policy Program, Arizona State University (ASU); Board President, Healthcare Transformation Institute and Director of ASU’s Health Care Delivery and Policy Program. Dr. Cortese is the former President and CEO of the Mayo Clinic. He is a member of the Institute of Medicine of the National Academy of Sciences (US) where he chairs the Roundtable on Value and Science-Driven Health Care. He is a member of the health advisory board of RAND. Dr. Cortese served as the chair of the board, of the Health Care Leadership Council in Washington, DC. He was a member of the Harvard/Kennedy Health Policy Group and the Division on Engineering and Physical Science (DEPS) of the National Academy of Engineering. He is an honorary member of the Academia Nacional de Medicina (Mexico) and the Royal College of Physicians (London). Dr. Cortese received an Ellis Island Award in 2007 and the National Healthcare Leadership Award in November, 2009.

Erin Doherty, MD is a board certified internist working as a hospitalist at Holy Cross Hospital in Taos, NM. She arrived in Taos immediately after residency and was in private practice with Taos Medical Group until 2002. She helped found the hospitalist program at Holy Cross Hospital in 2003, eventually transitioning to hospitalist medicine full time. For nine years, Dr. Doherty has been the Medical Director and CEO of the Taos Community Health Plan, the physician-hospital organization for Holy Cross Hospital. During her tenure the medical community embarked on the process of becoming an Accountable Care Organization. She graduated from UNM School of Medicine in 1997 where she also did a research fellowship in Mexico. Dr. Doherty did her internal medicine internship at the University of Colorado and completed her residency at UNM.
Jemery Kaufman, MD is a board certified internist in private practice in Taos, NM with the Taos Medical Group. She received her medical degree from the University of New Mexico and completed her residency at the University of Wisconsin in Madison. She has served as a young physician delegate to the AMA from 2009 to present. Dr. Kaufman attended Amherst College in Massachusetts and spent a semester in Kenya as part of a program of St. Lawrence University.

Michael Kaufman, MD, FACP is a board certified internist in private practice in Taos, NM with the Taos Medical Group of which he is president. Dr. Kaufman is currently president of the Taos County Medical Society. He also serves as board president of Mountain Home Health Care. Dr. Kaufman is an Associate Clinical Professor of Medicine at the UNM School of Medicine and is also a past president of the New Mexico Medical Society.

Barbara McAneny, MD is the CEO of the New Mexico Cancer Center. She is a board-certified medical oncologist, hematologist and general internist. Dr. McAneny has served at the highest level in multiple regional and national medical organizations and worked on various New Mexico Department of Health projects. Currently, Dr. McAneny is a member of the AMA Board of Trustees. She previously spent seven years, including a year as Chair, on the AMA Council for Medical Service, the group charged with writing health policy for the AMA. She serves as the Chair of the Professional Development Committee for the American Society of Clinical Oncology, and served a term on ASCO’s Board of Directors. Dr. McAneny served two terms on the Practicing Physician’s Advisory Council, an organization charged with advising the Secretary of Health and Human Services of the effect of Medicare regulations on practicing physicians.

Michael E. Speer, MD, board certified neonatologist, has served on the Texas Medical Association (TMA) Board of Trustees from 2004 - 2010 and most recently as its Chair 2009 - 2010. He is currently the Vice Chair of the TMA Ad Hoc Committee on Accountable Care Organizations. He has also served as president of the Harris County Medical Society and the American Academy of Pediatrics (AAP) Texas Chapter as well as the Chair of the AAP Executive Committee of the Section on Perinatal Pediatrics. Dr. Speer is the Deputy Chief of Pediatrics at The Methodist Hospital and the Chief of the Newborn and Premature Service at St. Luke's Episcopal Hospital in Houston and Professor of Pediatrics and Ethics at Baylor College of Medicine.

Eugene Sun, MD, MBA is board certified in internal medicine. He attended medical school at UNM and completed his residency in internal medicine at the University of Pittsburgh. Dr. Sun has developed broad experience in healthcare administration, managed care, and pharmaceuticals. He has worked with Kaiser Permanente, Regence Blue Shield, United Healthcare, Pacificare, and Merck. Prior to joining Molina Healthcare of New Mexico, Dr. Sun was the vice president of Medical Affairs of Health America, a Pennsylvania managed care plan with over 600,000 members.

LOVELACE ORTHOPEDIC SERVICES

Tamy & Glenn are living proof

All she wanted was relief from excruciating pain. All he hoped for was to walk again.
Both of them got what they asked for at Lovelace. Tamy had a total hip replacement
that overnight ended years of suffering.
Glenn's lower body paralysis was overcome
with two months of orthopedic rehab. Now
there's no stopping them.

Learn more about Tamy & Glenn's incredible journey by going to

We proudly announce that American Physicians and The Doctors Company have united.

Together, we set a higher standard. We aggressively defend your name. We protect good medicine. We reward doctors for their loyalty. We ensure members benefit from our combined strength. We are not just any insurer. We are the largest national insurer of physician and surgeon medical liability.

Richard E. Anderson, MD, FACP
Chairman and CEO, The Doctors Company

On October 22, 2010, The Doctors Company and American Physicians officially joined forces. With the addition of American Physicians, we have grown in numbers, talent, and perspective—strengthening our ability to relentlessly defend, protect, and reward our nearly 55,000 members nationwide. To learn more about how we can protect your livelihood and reputation with our medical professional liability program, call (800) 880-9485, or visit us at www.thedoctors.com.

We relentlessly defend, protect, and reward the practice of good medicine.

DIRECTIONS:

The New Mexico Medical Society is located at the southwest corner of Osuna and Edith in the Sun Valley Commercial Center.

From I-25 and Osuna:

Go west on Osuna for about 2.3 miles to Edith Street. Stay on Osuna past Edith and take the first left turn into the commercial center.

At the building directory sign, turn right and continue toward the end of the buildings. Our new offices will be on your right with the entrance facing south.
