

NEW MEXICO MEDICAL REVIEW COMMISSION COMMITTEE

The Commission is the mandatory malpractice review panel consisting of volunteers from the medical and legal professions. *We urgently* need medical volunteers.

The medical-legal panels review malpractice cases before they can proceed to court. The panel has markedly eased the burden on the court system. Only 27% of the cases heard through the Commission are filed in court.

Hearings are Monday through Thursday at 7:00 p.m. in the conference rooms of the New Mexico Medical Society. The average case lasts 2½ to 3 hours.
Out-of-area panelists will be reimbursed for mileage.

Physicians earn four New Mexico Specific Category 1 CME credits for each panel hearing due to the educational benefits of these reviews.

If you would like more information about the Commission, please contact Emily Hunt at 505-796-3431 or Jessica Christ at 505-796-3432. Thank you for your participation in this program.
