

RURAL AND URBAN UNDERSERVED PROGRAM

Future physicians for underserved areas across NM

**1/4 of UNM medical students training
toward career in underserved areas**

100% of program graduates now becoming primary
care physicians and specialists highly needed in NM
underserved communities

Partnering with clinicians, clinics and hospitals
all over NM to train future physician workforce

WHAT WE DO

♦ HANDS-ON TRAINING IN UNDERSERVED COMMUNITIES

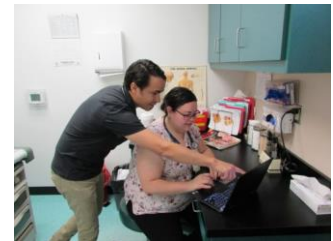

♦ SEMINARS

♦ VISIT COMMUNITIES

♦ MENTORING

♦ SKILLS WORKSHOPS

... AND MUCH MORE!
