Presbyterian Heart and Vascular Care

## Information

### **Conference Materials**

In accordance with Presbyterian Healthcare Services' sustainability initiative, the course handouts/syllabus materials are online ahead of time to give attendees the opportunity to view, download or print them prior to the conference. Confirmed registrants will receive an email announcement notifying them when syllabus materials will be available online. Printed syllabi will not be available onsite.

### **Conference Attire**

Conference dress is business casual and each attendee is encouraged to bring a sweater or jacket for comfort during the meeting.

### **Attendee Cancellation, Substitution, Refund**

The course tuition is refundable, minus a \$25 administrative fee, if your cancellation is received in writing no later than September 12, 2019. Attendee substitution is allowable, but notification must be made in writing by the Tuesday prior to the course. After this date, under no circumstances will refunds, credits or substitutions be granted. Also, no refunds or credits will be given if you do not notify us of your cancellation.

### **Presbyterian Conference Modification or Cancellation**

Presbyterian Healthcare Services reserves the right to modify the course's schedule or program as necessary. Presbyterian also reserves the right to cancel this conference, in which case a full refund of the registration fee will be provided. We are unable to refund any travel costs (flight, hotel, etc.) in the event of cancellation.

Persons with disabilities who may need auxiliary aids or services are requested to contact the Medical Education Department at (505) 841-1225 at least one week prior to this conference so appropriate arrangements can be made.

## Registration

### **Please Register Early – Space is Limited**

#### **Early-bird Registration:**

Physicians and APCs \$125  
Residents, nurses, pharmacists and all others \$ 75

Presented by Presbyterian Heart and Vascular Care  
and the Presbyterian Healthcare Foundation*

## 2019 Wilson Cardiology Update

### Statement of Educational Need

This conference is to provide an update on the most current evidence-based diagnostic and treatment strategies for your patients. It will focus on practical and clinical issues faced on a daily basis by healthcare professionals. A combination of case presentations and didactic lectures will provide an academically sound and clinically relevant cardiology review.

### Target Audience

This course is for adult primary care physicians, internists, family practitioners, cardiologists, emergency room physicians, advanced practice professionals, pharmacists, nurses and others involved in the care of patients with cardiac conditions.

### Learning Objectives

Upon conclusion of the conference, participants should be able to:

- Incorporate heart failure concepts and approaches within an integrated healthcare system into the practitioner's practice setting.
- Correctly interpret EKG changes and minimize delays in appropriate treatment.
- Correctly identify PAD vs PVD, including varicose symptomatology and proper treatment options.
  - Recognize causality of common neurological presentations with appropriate treatment and referral.
  - Identify the common and not so common cardiac dysrhythmias that can cause syncope and proper treatment options.
- Describe multiple causes of dyspnea with appropriate evaluation and treatment options.

### CME Accreditation and Credit Designation

**Accreditation:** Presbyterian Healthcare Services is accredited by the New Mexico Medical Society (NMMS) to provide continuing medical education for physicians.

**Credit Designation:** Presbyterian Healthcare Services designates this live activity for a maximum of 7.75 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

**Other Healthcare Professionals:** A certificate of attendance provided to other healthcare professionals for requesting credits in accordance with state nursing boards, specialty societies or other professional associations.

**Disclosure** The Presbyterian Healthcare Services' Medical Education Department adheres to the Standards for Commercial Support regarding industry. It is the policy of PHS to ensure balance, independence, objectivity and scientific rigor in all its educational programs. All participating faculty are expected to disclose to the participants any real or apparent conflict of interest related to the content of their presentations.

Established in 1985, the annual John N. Wilson, MD Lectureship in Cardiovascular Diseases and Cardiology Update is in recognition of the extraordinary medical and humanitarian achievements of John N. Wilson, MD.

The nominal registration fees are possible through funding provided by the Presbyterian Healthcare Foundation and the Wilson Lectureship Endowment Fund.

## Conference Schedule
